TIPS

Adjust the Spice Level

For a milder snack mix, omit the chipotle chile pepper powder. Or, for a spicier snack mix, increase the chipotle chile pepper powder to 1/2 tsp.

Cheddar-Flavored Popcorn

Use a packaged air-popped cheddar-flavored popcorn to prepare this fun snack mix. Or, you can instead pop a bag of cheddar-flavored microwave popcorn.

For Easier Cleanup

To make cleanup easier, while the cracker mixture is baking toss the popcorn and chipotle pepper powder in the same large bowl that you used for the cracker mixture - no need to wash it between uses.
